

Payments to the African Forensic Sciences Academy (AFSA)

Electronic or Manual Payments to AFSA

1. Before making a payment

Select the manner in which the payment will be made:

- a. Electronic: payment via a transfer from your bank to Ecobank (AFSA account), OR
- b. Manual: by depositing money (e.g. cash) into the AFSA account

Please verify the amount you must pay to AFSA.

- a. Please pay the exact amount to AFSA, thus specify e.g. USD 50, and not the equivalent in your own currency. This will ensure that the total amount of USD 50 is received by AFSA and your account is not left with an unpaid amount.
- b. Ensure that banking fees are not deducted from the amount paid to AFSA, thus that you select the option that the sender (you) will pay the banking fees, when applicable
- c. Amounts paid in excess of the required amount will be processed as a donation to AFSA (to prevent cents having to be transferred due to exchange rate fluctuations).

Reference numbers to use when making a payment to AFSA:

- a. If you received an invoice from AFSA, please use the invoice number.
